

04_AoA-GB – Vacancy: technical member for the GB

APEF Deed of incorporation:

5.2. The board members are appointed by the assembly of associates.

5.3. As member of the governing board of the foundation can only be appointed a natural person with a management position (preferably at a senior level) at a European archive institution. Whether a natural person satisfies the qualities required by the previous sentence is at the discretion of the assembly of associates.

Areas that the Technical Rep on the GB need to know about are:

- Archival Standards: EAD/EAC/EAG and ICA standards ISAD(G), ISAAR, ISDIAH
- Data processing and transformation
- Principles of interoperability and APIs
- Websites: principles of creating, developing and running discovery websites
- Knowledge of discovery in cultural heritage eg: SNAC, Europeana
- Some understanding of systems administration – what might be required, e.g. server upgrades, security issues
- Licensing and rights issues
